Department of Electrical and Electronic Engineering

🔊 Notice for Joining Faculty Research Groups

The Department of Electrical and Electronic Engineering (EEE) is pleased to announce the formation of “[Faculty Research Groups](#)” in four broad research areas, led by senior professors and supported by junior faculty members.

These research groups are designed to provide students with opportunities to:

- Engage in advanced research activities.
- Contribute to high-quality publications.
- Enrich their research profile.

◇ **Important Note:** "This research work is completely separate and must not be considered as part of the Final Year Design Project/ Capstone Project"

We highly encourage **interested and research-motivated students** to join and actively participate.
