

Daffodil International University

Department of TE

Notice

All the students of 151 batch are being informed that due to wrong software entry the following courses were created as theory courses instead of Lab Courses.

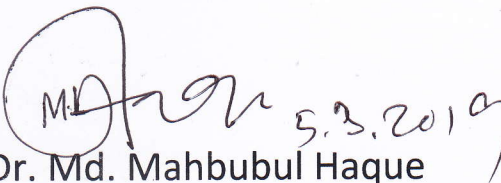

01. TE 431 Industrial Attachment 03 Cr
02. TE 432 Comprehensive Viva 02 Cr

Accordingly, the cost structure was calculated.

Recently, the matter has been detected and the payment structure was again calculated based on above two courses as lab courses.

Since the cost of lab courses are higher than that of theory courses, therefore the concern student have to pay tk. 2250/- additionally.

Kindly note that the total payment package (Declared during admission) will remain unchanged.
