**Call for Final Presentation of CE 402 and CE 404**

This is to notify Batch 201 Day students that the department is going to arrange a final presentation for those students who have already completed their allocated credits (118 credits). The final presentation will be held in the **Second week of July 2023**. See the conditions below for the upcoming face-to-face final presentations of CE 402 and CE 404:

1. Partial transcript, Plagiarism report and a draft copy of Report (Spiral binding one copy) with supervisor's signature must be submitted to the Civil Engineering department office **by 05.07.2023**. [Three Spiral binding copy required on final presentation day]
2. For the final presentation of CE 402 (Industrial Training I) and CE 404 (Industrial Training II), students must follow the departmental format. For any confusion in this regard, contact your assigned supervisor.
3. If Batch 201 completes **118 credit-hour courses** by the end of the spring 2023 semester, they will be eligible for the final presentation.
4. Each student must submit an individual report; no group report or presentation will be accepted on the day of the final presentation.
