

Daffodil International University

Department of Software Engineering (SWE)
Office of the Chairman of Project/Thesis Committee

Feb 1, 2021

NOTICE:

This is to notify that students who have already completed their Project/Thesis (SWE – 431) final defense are asked to submit their Project/Thesis document (Soft Copy) on or before **04/02/2021** in the Google classroom. In case of any other query about the document preparation students are asked to meet and discuss with their assigned supervisor.

Guidelines:

Attachment 1: "room1" is for those students who attended in room1

Attachment 2: "room2" is for those students who attended in room2

Attachment 3: "room3" is for those students who attended in room3

Instructions:

You have to insert the attached file "room1" or "room2" or "room3" as an image file into your approval page just after the statements of this page. For example, see the attachment file "Sample.pdf".

It is also required to put the digital signature of you and your supervisor on the required page. Moreover, the plagiarism report provided by the library should be enclosed as the last appendix of your final report.

Report Submission:

1. Students are required to collect the accounts clearance before final document submission.

2. After completing all mentioning requirements, you have to submit your final report (soft copy) in Google classroom by 04/02/2021. [See final report submission option in Google Classroom]

3. For Library Clearance: Follow the instructions which are mentioned in the reply Email of plagiarism report.
