*****Eligibility for Thesis/Project/Internship*****

A student must be completed at least 120 Credits to Enrolled SWE-431: Project/Thesis proposal.

Thesis	Project	Internship
Students must have 3.5 CGPA to apply for Thesis. For less CGPA Dept. and Thesis/Project Committee will decide later by their fixed criteria.	Any student can take the project but you must be followed SDLC to complete the project. We highly discourage the so-called old management system project. Students must have knowledge in both Back end and front end development for the project.	Students must have 3.25 CGPA. Students must work on renowned software companies for internships and must work on SDLC Steps. Internship time minimum of 4 months and you must submit appointment letter to the Thesis/Project Committee. After filling all the criteria the Thesis/Project Committee will inform you about the result. If the result is negative then you have to take the project to complete your degree.
