Department of Civil Engineering

Exam Related Notice

The department has made a few decisions to prevent confusion for students who have two or more exams that overlap during the same time slot. Irregular students (e.g., B 192 and senior batches) attend the senior faculty members' exam first and other exams are taken later when overlap notice is given. Regular exams are attended first by running students (current semester offered courses), and other exams are taken later when overlap notice is given.
