

## **Important Notice Regarding Exam Absences**

Dear Students,

Per the examination committee's decision, students who cannot attend their midterm or final exams because of illness or family-related circumstances—such as the death of a family member—must send an email to the exam committee at [exam.swe@daffodilvarsity.edu.bd](mailto:exam.swe@daffodilvarsity.edu.bd) to be considered.

Students must get feedback from their academic advisors to get permission to retake the missed exam.

**Please note that no student will be allowed to take the rescheduled exam unless the advisor has provided comments and the necessary paperwork has been submitted.**

Thank you for your attention to this matter.
