IR: Irregular Sections (If not on the schedule, you are requested to attend classes with the last section of the respective course.)

Routine Policies for Students

Each section will get at least 1 day besides Friday when they will not have any class. If classes of any section starts at 8.30 AM, they will not have any class after 4.00 PM. Alternately, if any section has class after 4 PM, they will not have any class at 8.30 AM. No section will have more than 2 consecutive classes, and no section should have more than 1 class at the same time.

Contact Us if Policies are Violated

Students are requested to contact the routine committee through their CRs **if and only if** any one of the above policies are not maintained for your section. To contact the routine

Regarding Changing Existing Routine

Students can change their existing routine. In doing so, you may face two possible scenarios. First, your proposed classroom at the proposed time may be unoccupied in the existing routine. In such case, the CR should email to toma.swe@diu.edu.bd and keep musabbir.swe@diu.edu.bd and the **course teacher** in cc. If the course teacher agrees, you will change the routine accordingly. In the second scenario, your proposed time and classroom may be occupied by some other section in the routine. In such case, email to toma.swe@diu.edu.bd and keep musabbir.swe@diu.edu.bd, **course teacher of your section**, **CR of the other section**, and **course teacher of the other section**. If everyone agrees, we will change the routine. **This request must be sent within 2 days of the publication of a new version of routine.**

Regarding Any Other Requests

For requests that do not fall under the aforementioned policies, you may email to toma.swe@diu.edu.bd and keep headswe@daffodilvarsity.edu.bd, ahheadswe@daffodilvarsity.edu.bd, and
